Dear Interested Parties:

Enclosed is the current Schedule of Proposed Actions (SOPA) listing projects being planned for the National Forests in North Carolina. The SOPA is our way of providing early, informal notice to interested and affected agencies, organizations, and persons about upcoming projects which may undergo environmental analysis and documentation.

Your participation is most effective when concerns are raised early in the analysis and decision-making process. Therefore, we encourage you to get involved and comment early for those projects of interest to you. If you see a project that catches your interest, please call the district office to obtain more information. The address for each Ranger District is enclosed.

If you have any questions about the enclosed SOPA , please contact Carol Milholen at the above address or by phone at (828) 257-4860.

We appreciate your interest in the management of the National Forests in North Carolina.

Sincerely,

/s/ Anthony Matthews
