

**Assignment #4: Researching a Change Issue**  
60 points

RESEARCH QUESTION DUE: March 19  
PAPER DUE: April 9

Choose a topic that relates to leading change. Propose your topic in the form of a **question**. Write a paper that will address this question.

You must include **at least two peer-reviewed journal references**. In addition to the two peer-reviewed journal references, you may include any other references such as books, websites, interviews, etc.

Your paper must have at least four labeled sections, as follows:

- 1) **Research question:** the question you are addressing
- 2) **Views:** a summary of at least two views on this question (from two or more peer-reviewed journals)
- 3) **Analysis:** your analysis of the views in section 2
- 4) **Answer to the research question, with justification for your answer:** Clearly state your proposed answer to the research question. Include a justification for your proposed answer—this justification must not be based on your own personal views, but rather must be based the research presented in the peer-reviewed journal articles

More about the paper:

- 3-5 full pages (reference page is in addition to these pages)
- font size 11
- 1.5 line spacing
- 1 inch margins
- APA format for references
