

UNC ASHEVILLE PRESENTS

# THIS I BELIEVE

## CAMPUS DISCUSSIONS

A campus discussion inspired by the NPR series of the same name, as people from all over the nation have shared stories about their own journeys in life.

The UNC Asheville version will feature speakers invited from our campus and the larger community sharing about:

- What gives meaning and purpose to their lives
- A transformative experience or life-shaping event
- Something in which they wholeheartedly believe

Each week a faculty, staff or community member, an administrator, or a student will speak for 15 minutes, allowing time for discussion to follow.

Thursday, February 16 at 12:30pm - Dr. Dee James - PDR 100  
Thursday, March 1 at 12:30pm - Dr. Anne Ponder - PDR 100
